**XI) SUBSCRIPTION TERM**

**Trial Period:**

Prior to purchasing the Software and its accompanied Services, prospective Licensees are encouraged to participate in a 14-day Trial Period to assess the suitability of the Software and Services to the Advisor's needs. The Trial Period allows you to access the Software, enter real client cases, print the reports, and present them to your client. They will not in any way indicate "Evaluation" or "Sample", so that they can be used with end clients prior to making a purchase decision.

**Purchase Agreement:**

Commencing on the day of your Purchase, whether it is preceded by a Trial Period or not, this License Agreement will begin and remain effective for the duration of the agreed upon Subscription Term, with the standard agreement being for a period of one year, billed annually. Alternative arrangements, such as multi-year commitments and/or varied billing frequencies, can be allowed exclusively upon an agreement between a Moneytree Software representative and the Licensee. The period commencing from the day of Purchase through the completed duration of the specified Subscription Term shall be known as the Initial Term. The Initial Term shall be automatically renewed for the same period at the end of the Initial Term and at the end of each subsequent renewal period ("Renewal Term") for the agreed upon subscription fee unless the Initial

Term or any subsequent Renewal Term is terminated prior to the Effective Renewal Date by providing Moneytree Software with written notice (by email below) at least thirty (30) days prior to the end of the Initial Term (or any Renewal Term) that you intend not to renew.

Depending on the Licensee's affiliation to selected financial institutions or organizations ("Partners"), the Licensee may qualify for a discount on their License price. A discount is granted solely at the discretion of Moneytree Software and can be revoked at any time for any unspecified reason.

#### **Billing Frequency:**

A standard Subscription Term to Purchase a License is a period of one year, billed annually. Moneytree Software reserves the right to alter this standard Term and billing frequency for a Licensee, having a shared agreement that the duration of a Subscription Term be at least one year in length. Failure to fulfill the requirement of a one-year Subscription Term may result in an additional cancellation fee.

#### **Price Changes:**

Moneytree Software reserves the right to change the subscription fee for the Software and Services at any time without any reason. Price changes will take effect upon the completion of any Subscription Term and apply to the succeeding Subscription Term. Any change in subscription fees will be communicated to the Licensee at least thirty (30) days in advance so that the Licensee may make an informed decision regarding Renewal.
